There will be a carnival atmosphere in this great little town today with music and dancing, local markets, food stalls, sausage sizzles, artists' workshops and fun for the whole community.

3pm – Classic Car & Bike convoy says goodbye to Mt Surprise and makes the return journey back to Undara Experience. That evening there'll be another 5 hours of Rockabilly music and dancing.

Sunday 4th October

from 7am - Just in case you haven't got to inspect all the Classic Cars & Bikes yet, there will be a morning show at Undara Experience before the Rockabilly Recovery Jam Session. This show kicks off at 11am and is 6 hours of music and dancing. It is a HELL of a way to finish what will be an awesome festival!

Check out of Undara Experience and make your way home.

Friday 2nd – Monday 5th October 2020

The Undara Outback Rockabilly Rods & Rides festival promises to be unlike any other festival of its kind in Tropical North Queensland and is certain to attract a whole new market to the Gulf Savannah region over the Queen's Birthday long weekend in October 2020.

Undara Experience is located at the Undara Volcanic National Park in Tropical North Queensland, 275kms Southwest of Cairns and 440kms Northwest of Townsville (via the Herveys Range road) on fully sealed roads. Undara Experience is renowned for presenting unique and memorable events like Opera in the Outback and the Undara Outback Rock & Blues and this latest festival idea to evolve will be no different.

There will be multiple opportunities to show off your pride and joy, while enjoying a weekend filled with Rockabilly music and Rock & Roll dancing!
